Two New Memorial Funds

Memorial Funds were established to honor the lives of **Jan Nelson** and **Jim Scott**. Each had participated in the establishment and continuation of the foundation over the years. Each fund was begun with initial \$10,000 investment while hoping that others would add to the principals. **Jim Scott’s Memorial** will aid scholarships through the Alexander Christian Foundation. **Jan Nelson’s Memorial** is an investment in the facilities at Allendale Christian Camp and Retreat Center.

Areas of Impact

We work within several different impact areas. Our grant recipients may change from year to year, based on the work our donors want to see done in the community and the ability of nonprofit organizations to provide the outcomes we seek
