**East 91st Street Christian Church Foundation**

*Our Mission is God's Mission*

## About Us

Incorporated in 1994, East 91st Street Christian Church started the East 91st Street Christian Church Foundation as a long-term Christian charitable entity separate from the church's day-to-day business and budget.

The Foundation was formed to provide members and friends with an opportunity to leave a long-lasting legacy of Christian service and missions, through bequests, memorials and gifts. **The generosity of our donors makes it all possible.**

### The Foundation provides:

- Grants and gifts to non-profit 501-c-3 Christian organizations.
- Mission funding, camp scholarships, and evangelical outreach.
- Gifts to organizations outside the East 91st Street Christian Church budget.
- Administration of donor-advised funds.

**Leave a lasting legacy for the support of Christian service.**

## Our Mission

Although a separate entity, E91 Foundation provides a new view of ministry opportunities for the East 91st Street Christian Church. Our unique structure provides for a long-term Christian charitable legacy. We provide grants to Christian ministries with a special concentration on funding new or expanding Christian ministries.

E91 Foundation adheres to Christian beliefs and principles, and provides a vehicle for the broader Christian community to remember Christ and give a portion of their family's final assets or unexpected proceeds back to God. Based on these beliefs, E91 Foundation:

- Assists God's people seeking advice in designing their estate plans.
- Facilitates bequests, gifts, and memorial donations.
- Invests donations into an Investment Fund.
- Donates the Investment Fund's income to Christian organizations through grants.

## Grantmaking

While a board maintains the endowment and grants funds to qualifying entities, donors can make a contribution for specific purposes or create an endowed fund. The board then uses the interest each year within the donor's guidelines to fund missions and ministries.

**The E91 Foundation has invested bequests, memorials, and gifts and has granted more than \$1.6 million to evangelical nonprofit ministries in Indianapolis and across the world.**

### Grants are expected to:

- Fulfill Christ's directive – going into the world, teaching, and making disciples. (Matthew 28:18-20)
- Meet the physical needs of hurting people. (Matthew 25: 35-40)
- Go to Christian organizations adhering to Christian beliefs and principles.
- Be directed primarily to Christian organizations for new and expanding ministries in the field of evangelism, church planting, benevolence, medical care, education, youth, and missions.
- Be in the \$1,000 to \$5,000 range.
- Go to only tax-exempt organizations.
- Not support East 91st Street Christian Church's day-to-day operating expenses.
